Full Color DigiBags!

Our new State-of-the-art printing method allows us to print our bag film digitally. Our new ink jet technology allows us to create output with smooth gradations and incredible color quality.

With this addition, you can now get full color digital bags to promote your business or event. Choose from one of our stock designs, or create your own! You can also tie in the candy to match the bag design with one of our new imprinted candy options.
